Dundry School Values: trust, friendship, community, hope, compassion and creativity

## Young Voices!

Birmingham was the destination for the Young Voices choir on Wednesday this week. The children were very excited at being part of the largest choir in the world. It was an amazing event and the 18 children who sang their hearts out were a credit to the school. Hopefully next year our choir will grow so that we can take more children to the event, which was also attended by a small selection of parents who were astounded by the spectacular show they witnessed. Well done children, keep singing!

## OFSTED

You will be aware that Dundry School was inspected on 9<sup>th</sup> and 10<sup>th</sup> January. The report has now been finalised and will be published on the Ofsted website next week. The final full report is published on the school website. If you would like a paper copy please request one at the school office.

I'd like to thank all the parents who shared their positive comments with the inspector and also the parents who took the time to share their views on Parent View, Ofsted's on-line questionnaire for parents. We are also very proud of our pupils whose behaviour and attitudes were remarked on so positively by the inspector.
