

## UKS2 Module Two: Overview

**UKS2 Module Two: Created to Love Others** explores the individual's relationship with others. Building on the understanding that we have been created out of love and for love, this module explores how we take this calling into our family, friendships and relationships, and teaches strategies for developing healthy relationships and keeping safe:

**Unit 1 – Religious Understanding** explores the nature of God's call to love others. Children will study and reflect imaginatively on the story of Zacchaeus' conversion and explore ways in which they can hear God's call in their lives.

Through a series of short sketches from presenters Zoe and Joey, **Unit 2 – Personal Relationships** aims to equip children with strategies for more complex experiences of relationships and conflict. This includes sessions that help children to identify and understand how to respond to spoken and unspoken pressure, the concept of consent and some practical demonstrations of this and further teaching on how our thoughts and feelings have an impact on how we act.

**Unit 3 – Keeping Safe** builds on the NSPCC Share Aware resources used in Lower Key Stage Two, equipping children to make safe and sensible decisions about what online content they should/shouldn't share, cyberbullying and how to report and get help if they encounter inappropriate messages or material. The third session in the Unit moves into the real world and considers the four types of abuse: sexual, physical, emotional and neglect. Children will know how to spot each type of abuse and who they can go to for help.

The final three sessions in this Module explore how drugs, alcohol and tobacco can negatively affect people's lifestyles and the body's natural functioning, discuss how to make good choices even in pressured situations, and teach essential First Aid such as DR ABC and the recovery position.
