We recommend that you install the Microsoft Teams app on your device. This is free from the App Store or Google Playstore. For PCs or laptops download it from <https://www.microsoft.com/en-gb/microsoft-365/microsoft-teams/download-app>

You can also access Teams through a browser (without the app) but you need the latest version of Chrome or Edge and this may not work on all devices.

Parent Cloud

A reminder about our subscription to Parent Cloud – a hub for parents and teachers to help support our own and our children's mental well being. There is a wide selection of services to support this: webinars, courses, guides and professional advice.

A parent has recently made use of their 1:1 sessions and was delighted with the service. It was easy to book and very worthwhile, with the opportunity for booking further sessions if required. (at a reasonable cost).

If you haven't already taken a look, please do so. Logging into the resource is very straightforward - please go to: <https://www.parent-cloud.com/parent-cloud-hub/>. Our school password is: Parenthub101 Any feedback would be most welcome. Thank you, Mrs Blakeman

Holst Class – Yogurt pots required

In science this term the children are learning about plants. Next week we are planning to make 'cress heads'. To do this each child will need an empty yoghurt pot. If you have any at home, rather than throwing them in the bin, I would be grateful if you could send them into school. Thank you, Mrs Perale

Request for any unwanted rolls of wallpaper

If you have any unwanted rolls of wallpaper, please can you send them into school.

Charity Week

Our annual charity week will be held in the week commencing 17th May. We will send a letter with next week's bulletin with details of events that we will be holding during the week. In the recent times of 'cards instead of cash' we wanted to give you a little bit of warning ahead of the week so that you have some coins available, should your child wish to participate in the events. As a guide, if your child was to participate in all events they would need a maximum of £2 each day.
