Dear Parents

RE: Guitar Lessons for year 3 and above in September 2021

We are able to offer guitar lessons at school during the school day. There will be spaces in September for children who would like to begin guitar through Herts Music Service with Mr Thwaits. Herts Music service invoice you directly and there are 33 lessons over the course of a year. Mr Thwaits can offer 20 minute individual lessons which are currently charged at £154.00 per term.

If your child is going into Year 3 or above and you are interested in guitar lessons please email admin@furneup.herts.sch.uk by **Monday 14th June**. We will then confirm availability with Mr Thwaits and send you information of how to apply on line to Herts Music Service. **Please make sure you read their terms and conditions especially regarding their cancellation policy.** <http://www.hertsmusicservice.org.uk/lessons-terms-conditions>

Yours sincerely
