Furneux Pelham Parish Council – Playground Update. From Paul Watmough.

Further to the post and subsequent feedback on the Furneux Pelham Community Page on Facebook, the Parish Council continues to investigate the possibility of providing a playground on the available land at end of the Village Hall car park, which the Council owns. We have been encouraged by the level of support in the village, and now seek individuals who would be willing to get involved in fundraising, being part of a steering committee etc. to make the playground a reality. If you are interested, please could you contact the Parish Council, post on the Furneux Pelham Community Page on Facebook or come to our next meeting at FP village hall on Thursday 10th May, at 8pm, when it will be a main agenda item! Thank you.
