- There will be **NO RUNNING CLUB** next week (Tuesday 1<sup>st</sup> October) as Mrs Winfield is on the school trip to the space centre.

#### Dropping off and picking up after school

To help with traffic congestion near the school at drop off and picking up it has been the practice for many years for parents to use the ring road locally known as 'The Hat'. Therefore can we ask you to drive up the hill from the pub and then continue your journey turning left just beyond the school [and left twice more takes you back to the pub]. By doing this we can avoid some of the congestion as there will be no need for vehicles to be turned around and there should be fewer vehicles heading in opposite directions on narrow roads. Can we also remind all parents that they should never park on the zig-zag lines outside the school nor across our neighbours' drives. This is both dangerous and inconsiderate. Thank you for your cooperation

#### Collecting children from after school clubs

**Chess, Netball and Gardening all finish at 4.15pm** - Please can we ask that parents wait outside the school in front of the reception area to collect children from these clubs

**Football finishes at 4.20 and Running finishes at 4.15** - Please can parents wait by the gate onto the school field to collect children from these clubs

**Sting and Karate finish at 4.15pm, Creative arts and mindfulness at 4.30pm** - Please can parents wait by the door directly into the hall to collect children from these clubs.
