

BULLETIN: 6 Summer21 19th May 2021

This week we will also be sending

- For Years R & 6 - Information from HCC regarding height and weight measuring.
- Details of a half term activity at the Church.
- For Years 1 & 2 – Information on Stortford Cheerleaders.

Class photos are being taken on Monday 24th May

Scavenger Hunt for Charity Week

All those who purchased an entry sheet have already entered their pound into the hunt so this can just be crossed off the sheet. The other items need to be attached to the entry sheet and submitted by Monday 24th May.

Lateral flow devices

Herts county council have asked us to share a survey about testing with Lateral Flow Devices (LFDs) with all staff, parents and carers. They are keen to learn from people's experiences, how easy it is to do, are there any issues affecting uptake and what suggestions you might have for improving the process.

Your responses will help them to find the best way out of the pandemic. The deadline to complete the survey is Friday 28 May 2021.
