Together we care, inspire
and achieve excellence

Wednesday 4th July 2018

Dear Parents,

Sports Day: Wednesday 18th July 2018

The theme for sport's day this year is going to be the football world cup. We would therefore like the children to create a flag for any of the countries within the continent that their house has been allocated that are [or were!] taking part in the world cup in Russia. It doesn't matter if they have already been knocked out!

The flags can either be the countries national flag or you could choose a player from the team and draw a picture of them on the flag and include some facts about them.

Sycamore = America

Ash = Africa

Oak = Asia

Maple = Europe [please note only reception and Y1 children can select England -and they don't have to!]

The flags should be drawn on the template attached and will be used to decorate and brighten up the gazebos, so do your best to send a flag in by **Wednesday 11th July**.

The morning activities will start at 10:00 and we aim to finish at 11:30. The children will spend the morning participating in various sporting activities to win points for their house. You can of course bring younger siblings with you and you can bring a picnic to eat on the field at lunch time if you would like to.

Lunch will be from 12:00 with the afternoon races starting at 12:45pm finishing around end of school time. You are welcome to come for just some or all of sports day.

We do hope many of you will be able to join us for this lovely annual event.

Thank you to those parents who have offered their help with the running of the morning activities. A note will be coming home in your child's book bags next week. We are still in need of some extra help to ensure it all runs as smoothly as possible so please email admin@furneexp.herts.sch.uk if you are able to assist us.

Fingers crossed this lovely sunny weather continues!
