Lump sum per year		£8,000	
Amount SG received per pupil (£5 x NOR) per year		£280	
Total amount of PE SG funding for 16/17		£8,280	
Summary of PE SG 2016-2017			
Objectives of spending PE SG: <ul style="list-style-type: none"> To continually improve the PE facilities at the school Broaden the sporting opportunities and experiences available to pupils – regardless of gender or disability To develop the range of specialized coaches used in school To extend the number of after-school sports clubs 			
Record of PE SG spending by item/project 2016-2017			
Item/Project	Cost	Objectives	Outcomes
Caving and hiking for years 3,4 & 5	£930	To offer children access to physical activity beyond usual team / individual sports.	Children developed an understanding of a lesser-known sport/activity. Children were able to conquer their fears of dark and confined spaces. Children problem solved in small groups.
Additional area of Astro Turf	£2,200	For children to have access to an additional safe play/sport space on a site very limited for space.	Children were able to utilize an additional 45m ² space enabling them to engage in more sporting activities on the school site.
Employment of Specialised Sports coach	£7,650	For children to access a well-planned and well-delivered sports curriculum.	Children enjoyed specialised coaching offered by PPA cover teacher. Talent was identified and reported back to PE leader. Signposting was in place for identified talent, e.g. Bath University intervention.
Skipping Day	£250	For all children to engage in an individual, non-competitive physical activity.	Children enjoyed the input from the specialist coach. They were able to purchase equipment to continue skipping at home.
Climbing Walls	£1,632	To offer all children a chance to engage in a challenging physical activity.	Children were able to access and enjoy using this new equipment.
Total Expenditure		£12,662
