Inside school this week....

Starfish Class sang a special sea shanty during their class assembly last week, showed off their pirate plate faces and recited their Autumn poem.

All Year 1 children have been dressed up as Pirates today, taking turns to follow their maps and find the treasure in the school grounds.

School closes today for the Half term break, returning on Monday 30th October.

Please may I remind you to park carefully when reversing into spaces at the Community Centre car park and beware of pedestrians - especially the small ones that might not be visible on the pavement if you reverse too far.

Clocks go back on Sunday 29th October at 2am. I hope you have a restful week.

Uniform stocks

Uniform is available to purchase from the school office. Book bags are now back in stock priced at £6.

We are delighted to let you know that Hook Infant School appears to be in the lead, but there are still two more weeks to go so we still need you to continue “posting” your blue coins in the Hook Infant slot. You can vote for us at Hook Tesco and Baughurst Tesco Express.

The organisation with the highest votes will receive up to £4000, followed by amounts of £2000 and £1000 for second and third places respectively. We really hope you are able to support us as every single vote counts.

Please spread the word so we can get as many votes as possible to be in with a chance of winning.

A message from Hook Parish Council

Many of you will be aware that we are currently refurbishing the play area in Wellworth Park. We are organising an opening event for Friday 27th October at 9:30am and would love parents and children of all ages to come along. Our local MP Ranil Jayawardena has been invited to officially open the park and we have also invited the local press. We hope this will be a well attended event. To ensure safety and that we can accommodate all the children wishing to enjoy the play area during the event, please register to attend. Email or call the Parish Council at events@hook.gov.uk or 01256 768687 by 23rd October. Please provide your name, contact details, email and phone number, and the child(s) name, age in the event that arrangements need to change due to the weather.

Everyone is very welcome, even if it is only to chat with Ranil.

We look forward to seeing you there.

For your information

There is a proposal for a major train service cut for Hook. The MP Ranil Jayawardena has started a petition to try and stop this happening and he is needing as many signatures as possible before it is soon put to the House of Commons.

This will probably affect many, many parents who commute and this information may give you a chance to sign the petition if you wish. Its an issue that is irrelevant to the political party, but something that will affect all those living in Hook and in fact not just those that use the train for work to London but more local services, including students getting to Farnborough college and ultimately Hook itself.

Here is some more information regarding the proposed changes:
