

'Each one should use whatever gift he has received to serve others, faithfully administering God's grace in its various forms.' **1 Peter 4:10**

This half term has been a challenge for so many of us and this lockdown has certainly felt very different to the first one, where the sun shone and summer was round the corner. We hope you and your families have all stayed safe and we hope that soon we can all be reunited. The staff have all missed the children and we hope they have missed us! We thank you all for working so hard at home – we know it has been difficult at times for everyone.

Looking forward, we are awaiting an announcement regarding the full reopening of schools and what that will look like for schools and families. I will be in touch as soon as we return with an update. Thank you for all your lovely comments about Annual Reports – if you haven't yet booked an appointment with your child's teacher please do. Have a super half term. Mrs. Green

Advanced warning for a virtual World Book Day!

Thursday 4th March is World Book Day and we would like to get everyone involved – those at home and those at school. Please can you start to think about a favourite book character and what you could wear for that day. We hope to have some Zoom meetings to share the day and we will be putting up lots of resources/activities for children at home and at school. Please remember that this is a fun event and we do not want parents to go to expense. More information will follow after half term.
