

'You will seek me and find me when you seek me with all your heart.' Jeremiah 29:13

Next week the children will be:

Reception will become explorers and photograph signs of spring. **Year 1 will be** non-fiction book detectives.

Year 2 will be exploring the Easter story and re-enacting the Last Supper.

Year 3 will be enjoying hot chocolate and marshmallows in the woods as their reward for earning 100 kindness hearts! **Year 4 will be** finding out about our terrific teeth and beginning an investigation on tooth decay (not using our own teeth though!).

Year 5 will be imaging the Garden of Gethsemane and reflecting on the power of prayer and how it gives us strength in times of uncertainty.

Year 6 will be writing fantasy stories, inspired by The Hobbit!

COMIC RELIEF

Thank you so much for supporting our fundraising efforts today. The children found lots to laugh about and seem to have enjoyed the day. We raised £201.70 which is amazing!!

Year 3 were busy making bridges in DT to span a 30cm gap. Using limited materials, they had to build a bridge that would successfully hold 7 unifix blocks. Some of their designs were wonderful. ☺ They also drew some amazing pictures of the Brunel Bridge as part of their history project.

We cannot thank all of you who have supported our limited but effective fund-raising over the last 12 months. As I mentioned in a previous newsletter we have been able to purchase 30 Chromebooks for the children and heard a week ago that we had been allocated 10 more Chromebooks and these arrived on Wednesday! The children have had fantastic fun using them this week and on their behalf we say a huge 'Thank you.' It would be great if we could start to fund raise for another class set? If you are able to support our **Schools Lottery** venture this is a really easy way of helping us reach our target.

The children loved the professional cricket coaching this week. All the children from Year 1 upwards had an amazing time. This is a six week course and has caused a ripple of excitement. Thank you Mr Anderson for coaching us and Mr Brown for arranging this brilliant opportunity.

The weather has been lovely this week and, as always we get the children learning outside. This has included Year 6 learning all about ratios in the wood. Here they are finding different ways of calculating ratios. This was then translated in ratios of paint colour mixing. They are still working on this so that they are up to the Fallow and Ball standard!!

The children in Reception were able to come and join Year 1 for their first experience of Collective Worship in the hall! They loved our illuminated book and listening to music. They sat beautifully to listen to the parable about the Lost Sheep. We talked about what a good shepherd would do and how Jesus is called 'The Good Shepherd'. We can't wait till next week when we will be thinking about the parable of the lost coin.
