

### What's in store for the children next week?

**Reception** will be hunting for the missing slipper. Can you guess the story?

**Year 1** will be experiencing an alien invasion.

**Year 2** will be developing their teamwork skills in PE through Hockey.

**Year 3** will be continuing to explore the Hindu faith.

**Year 4** will be caring for our local environment by litter picking all the way to Weare Quay.

**Year 5** will be putting the final touches (and skips) to their skip-a-thon.

**Year 6** will be striving for success in their SATS and preparing for the launch of their business project.

### Dates for this year

**22<sup>nd</sup> May – M & M Theatre Production of The Railway Children for KS2**

**24<sup>th</sup> May – School Eucharist for Pentecost  
All welcome. 9.15am start**

**20<sup>TH</sup> July – BREAK UP FOR SUMMER**

In Orienteering Club the children have been learning to read maps, use a compass and race around looking for orienteering markers and punches. They are working well as teams and should be competition ready soon!

### Attention to all KS2 parents

Please check ParentPay for details about the Royal Cornwall Trip after half term. We are reliant on voluntary contributions to ensure that this trip is financially viable so please do let us know if you need any help.

Please check out our Marine Wildlife Champion News Flash which is in the children's bags and on the website. The children are working really hard to ensure we are all educated so that we make a difference with regard to sustainable fishing and looking after our oceans.

On the 23<sup>rd</sup> May Year 5 will be aiming to complete 50,000 skips with the help of friends and family. Please do come and support them by joining in, buying refreshments or sponsoring a Year 5 child. They are raising money for the British Heart Foundation and school. Thank you.

There will be a PTA Meeting next **Friday, the 18<sup>th</sup> May**, to continue planning for the school Summer Fayre and Birthday celebrations in July. Please join us at 2pm if you are able to help in any way.

At the last meeting the PTA agreed to buy lots of lovely new equipment for the animals – wheelbarrows, brooms, housing and hutches. They also agreed to buy much needed 'wet playtime' equipment for every class and part-fund the KS2 production of The Railway Children. The PTA is also helping to organise the schools 40<sup>th</sup> Birthday Party celebrations for the children with a treasure hunt and special cake.

All our fund raising goes towards buying equipment for the children and to enhance the learning environment. We are currently fund raising for slides for the children in the playground. Everything you very kindly raise helps at a time when we are operating on an extremely tight budget. So thank you so much.

Thank you to the six teams who entered our recent **Family Quiz** and congratulations to the **Rex Family** who won. Everyone seemed to have great fun and we were very impressed by the children's general knowledge.

As the warmer weather approaches please can you ensure that your child has **named** sun cream in school (applied before school) and a sunhat. The children always have access to water and are reminded to drink regularly. Thank you. Thank you Erin for modelling our hats!

As part of their healthy hearts project Year 5 have been working together to compose letters to send to different fruit retailers in Saltash asking for fruit to sustain them during their skip-a-thon. Here they are hard at work.

We look forward to welcoming as many people as possible to our volunteer morning tomorrow. We have lots to do in the animal enclosure and in the grounds. We start at 9.00am and finish at 1.00pm but please join us for whatever times suit you best.

If you there is anything you would like to be prayed for please use our request box.

Year 3 have created the most beautiful display in their classroom as a result of their work on the Rainforest. The details and imagines are really exquisite. Well done everyone.
