

'Come, **follow me**, Jesus said, and I will make you fishers of men.' At once they left their nets and **followed** him." Matthew 4:18-20

Next week the children in:

Reception will be looking forward to their trip to Wembury Beach.

Year 1 will be rock pooling, rambling and recount writing.

Year 2 will be getting excited about their beach trip on Wednesday.

Year 3 will be getting excited about stepping back into the Stone Age on Wednesday. Don't forget costumes!!!

Year 4 will be finding out about solids, liquids and gases in our wild woods session by observing the different states of water.

Year 5 will be welcoming a Viking visitor!

Year 6 will be receiving a video message from the Prime Minister of Peru!

IMPORTANT DATES FOR THE SUMMER TERM

7th July – Reception and KS1 trip to Wembury Beach

9th July – Reserve Sports Day (no spectators)

15th July – Class move-up day

20th July – Leavers Service for Year 6

Wednesday 21st July – children **BREAK UP** for the summer

22ND AND 23RD JULY INSET

Autumn term starts for the children on the **6th September**.

As a continuation of Year 4's topic on The Romans, the children came to school dressed as Centurions, Emperors and foot soldiers. They all looked incredible and spent the day in character and then tested their sewing skills making Roman money bags. They had a wonderful day and a massive THANK YOU to the parents for supporting us by providing costumes. These days really do make a lasting impact on the children and reinforces their learning and enthusiasm for history.

Please can we have any Tempest Sports Team photograph orders back to school by **Monday**. The orders are being collected on **Tuesday**. Many thanks.

We know that, like us, many of you were hugely disappointed that we were unable to welcome families to our Sports Day today, but thank you for the messages of support. We are very proud not to have had to send any classes home since the start of the pandemic, particularly as so many schools are affected and having to send classes home and in some cases the whole school. We will ensure memories of the day are posted on the school website so you can see what the children have been up to. We have all worked so hard to keep everyone safe and we do not want to jeopardise this so close to the end of term.

Please do take a look at the News section of the school website and watch two new videos we have created. One is by some Year 6s, telling the Governors about their Heatree experience and the other is by some of the Year 5 pupils telling us a little about their Young Leaders Award. They are well worth watching.

The staff are all really busy making our end of year video reports with the children. These will be sent home on the 16th July. It is 2 years since we last recorded these onto a USB but if you still have a USB at home, could you return it to school so we can add the latest report to your collection. For the Reception and Year 1 children this will be their first video report – we hope you enjoy them. ☺

The children in Year 3 have been thinking about The Trinity in RE and creating pictures illustrating the concept. They looked at two paintings of the Baptism of Christ, one by Andrea del Verrocchio and Leonard de Vinci and another by Daniel Bonnell and this is Bella's interpretation.

The Reception class have been working hard both inside and outside – they are always having fun whilst learning. ☺

As part of Year 1's RE topic, studying Judaism, the children made, and sampled, some delicious challah bread. This is made and eaten when Shabbat (Sabbath) is celebrated. It is braided for this special meal.

Next Thursday and Friday Mrs. Fletcher will be visiting the school to meet the staff and children. We look forward to welcoming her and I am sure she will be on duty with Mrs. Green at the start and end of the day. On the 15th July the children will have a chance to spend the day with their new teacher. This will mean they get a chance to be in their new classrooms and new routines. ☺
