

Friday 5th March

Its Friday already which means the last day of home learning and you back to school on Monday!

Did you enjoy world book day yesterday? It was great to see some of you dressed up, I hope you liked seeing everyone at school dressed up too.

Why not start your day with some Joe Wicks on YouTube? You can either follow live or pick one of his videos to exercise along to.

Back to normal today so starting with phonics. How did you get on with the **ow** sound on Wednesday? Remind yourself by watching the video on the website again if you need to. Todays challenge is to write a sentence using words including the **ow** sound, can you try and write **blow the snow**. Don't forget to have another go at writing the word **no** as well.

Maths and continuing thinking about doubling. Today let's try and think more about doubling numbers, don't forget it is the same number added twice. Adults can you write down different doubles for your children to try and solve the answer for. Like when we have added before use objects to help you add the doubles together.

Thinking about all the signs of spring and mini beasts we have found this week why not try some spring themed cooking? Here are some pictures and ideas of what you could make.

Have a wonderful weekend ready to come back to school on Monday!

Mrs Edlin
