

'Don't be selfish; don't try to impress others. Be humble, thinking of others as better than yourselves. Don't look out for your own interests, but take an interest in others, too. You must have the same attitude that Christ Jesus had.' Philippians 2: 3 - 5

What's in store for the children next week?

Reception will be reading the story of Rapunzel and building her tall tower.

Year 1 will be learning about Neil Armstrong – can they find one fact about him over the weekend?

Year 2 will be beginning their topic 'The Prince of Egypt'.

Year 3 will be starting their science investigations using their home grown seedlings.

Year 4 will be improving their tennis skills by practising the volley.

Year 5 will be writing letters to local businesses.

Year 6 will begin planning a story, placing in a character they created this week.

Congratulations to everyone on raising £185.46 from the Cystic Fibrosis Hearts of Love

Attention to all KS2 parents

Please check ParentPay for details about the Royal Cornwall Trip after half term. We are reliant on voluntary contributions to ensure that this trip is financially viable so please do let us know if you need any help – please note that you need to give your consent for your child to go on the trip via Parentpay.

Coast to Coast Challenge

Olivia Writer, Luke Child, Jack Child and Erin Child, accompanied by 17 other members of 2nd Saltash Tamar Troop Scouts and 1st and 2nd Saltash Guides, battled their way through 30+ hard miles of Cornish countryside, ascending over 2750 feet of hills and encountering lots of slippery mud as they made their journey. They successfully completed the challenge where many others failed. Well done all four of you.

Year 1 went on a nature hunt looking for signs of spring. They loved the cherry blossom.

Year 2 had great fun planting vegetable seeds last week as part of a Waitrose Community initiative. They can't wait to see their seeds grow and then they can sell or cook the produce. Thank you to Mrs Forbes for coming into school and helping the children.

Year 6 have combined maths and art by looking at 'paint ratios' and the effect that this has on different 'shades' or colour. It was like a Dulux paint matching service – the colour names were very inventive!

Years 3, 5 and 6 created some beautiful new displays which can be found in the school hall. Please do come and have a look after school one day – they are truly stunning.

Congratulations to the Quadkids teams who competed last week at Saltash.net. The Year 3/4 team came 3rd overall and the Year 5/6 team came second. Well done everyone.
