

"You will seek me and find me when you seek me with all your heart." Jeremiah 29:13

**Next week the children in:**

**Reception will be** thinking about the story of Zog and giving out their own gold stars.

**Year 1 will be** creating their own pirate rhymes.

**Year 2 will be** enjoying some African music and finding out about some fascinating creatures from this part of the world.

**Year 3 will be** following instructions to create their very own woolly mammoth! (Please can your child bring in a 2 litre milk carton.)

**Year 4 will be** creating artistic masterpieces inspired by Gaudi.

**Year 5 will be** continuing to lead the way and facing more of the young leaders' challenges.

**Year 6 will be** 'shimmying into Samba!'

**Rosewarne Cup Quarter Final**

Our boys' Football Team travelled to St Breock on Monday for the above fixture. Again, the team played superbly, romping home with an 8-1 victory. Man-of-the-Match, Owen L, scored an amazing 6 goals with Isaac H getting the other 2.

Next week will see the Boys compete in the County Cup Semi Final and the Rosewarne Cup Semi.

Our girls' team will also be playing their County Cup Semi-Final against either Charlestown or Truro High.

Good luck to everyone involved and well done!

Mr Brown

We were thrilled to bits to be awarded **School of the Month** by the **Chance to Shine** organized by **Cornwall Cricket**. After an incredible 6 weeks of amazing coaching this has been a well-deserved award. Our deepest thanks to Mr. Anderson, who is the School and Club Development Officer, and has encouraged and supported the children every week. We are sure that the skills learnt and the enthusiasm developed will encourage more children and families to continue with their cricketing journey. ☺

Not only do we have the most amazing views from our school field, across the Tamar to Dartmoor, we have the best and most interesting spectator and coach!!

Isaac is always keen to lend Mr. Brown a hand, supervising, refereeing and watching the children as they enjoy all the sport we do in school. We love our alpacas. ☺

The children in Reception went on an exciting walk through the woods in school. We are so lucky to have such a wonderful outdoor space.

The children in Year 2 have been busy learning about capacity and weighing ingredients in their mathematic lessons. It has been great that the children are now able to use their dedicated kitchen for cooking and they loved using their mathematical skills to make delicious flapjacks.

Just over a year ago we received some funding to be able to create our kitchen for the children to use – it is amazing that we can now start to use it.
