Thank you for the incredible support for last week's 40th Birthday Party. The food you kindly sent in was amazing. Many children commented on how great it was and that it was an 'as much as you can eat party.' The children found their Treasure in the hunt and were thrilled with the range of games – many have had a play with them this week. Here are a few pictures of the children having fun. A big thank you to the team who came and helped set up and clear away afterwards – you were amazing.

Year 3 performed an outdoor 'Brass' concert on Thursday – they were confident and skilled as they performed in front of a very large audience!

Congratulations to Charlotte, Finlay and Danny who were confirmed by the Bishop of St Germans on Sunday at St Stephen's Church. We were very proud of them as they made their promises.

By the time you read this newsletter Year 5 will have returned from an incredible week at Heatree. They have climbed, walked, kayaked and eaten (lots) to name just a few things! Thank you to Mr Hill, Mrs Jones and Ms Thompson for being surrogate parents for the week and taking such good care of the children.

The younger children had a great time getting wet on Monday. Their laughter and screams could probably be heard in Plymouth!!

End of year reports.

On Monday your child will bring home their video report, attainment results for the end of the year and attendance report. Please do check their bags for these really important documents.

The video reports are on USB pens. Please feel free to upload these and then return them to school by the end of the week if possible, ready for next year. If there is any problem please do let us know.

We hope you enjoy watching them as much as we enjoyed making them and watching them.

It has been a year since we started to build our new website with a view to providing parents with much more information and with easy access. Please do let us know if there is anything you would like to see included next year.
