

“For I know the plans I have for you,” declares the Lord. ‘Plans to Prosper you and not to harm you, plans to give you hope and a future.’ Jeremiah 29:11

Next week the children in:

Reception will be huffing and puffing as they learn the story of the three little pigs.

Year 1 will be going number bonds to 10 crazy! Start practising!

Year 2 Would you survive if you came face to face with the Loch Ness Monster?

Year 3 will be experiencing the joy of celebrating Diwali.

Year 4 will be learning about the process of mummification and mummifying a tomato!

Year 5 won't be able to see the woods from the trees as they venture beyond the lamp post 😊

Year 6 will all be enrolled onto the Tudor Architecture Scholarship Scheme run by head architect and lead professional in his field, Prof. R Hill.

On Wednesday the children all took part in Remembrance Day in a variety of ways. Some classes wrote poems, others created poppies. Here is Year 2's response as they took part in 2 minutes' silence.

Thank you to those who supported the 'doughnut' fund raiser and to St Stephen's Church who included us in this tasty venture. We raised £55 which was wonderful and will go towards our fundraising for new Chromebook computers. We fully understand that for many, times are really challenging and finances are stretched. All fundraising we do in school is voluntary – we do not expect all families to take part and fully understand if parents do not want to participate.

There is, however, another way that you could possibly help raise funds for the school should you wish. We've registered with **easyfundraising**, it's a great site where you can help Bishop Cornish School PTA raise funds simply by doing your everyday online shopping! Over 4,000 big name retailers are included, such as John Lewis, Uswitch, ASOS, Argos, Expedia, M&S, and BT.

Earlier in the term some of the children took part in a 'Design a Christmas Card' competition for the Diocese of Truro. Both Bishops, Philip and Hugh chose their favourite designs. We were thrilled to hear the Matthew (Year 3) had been highly commended and he received a beautiful certificate. Well done Matthew. 😊

Every time you shop, we receive a small donation to say 'thank you!' It's completely free and over £31M has been raised for causes just like us so far. We want to raise as much as possible so please sign up and help us at:

[https://www.easyfundraising.org.uk/.../bishopcornish.../...](https://www.easyfundraising.org.uk/.../bishopcornish.../) When you sign up to **Easyfundraising** you help raise FREE funds for our wonderful school every time you shop online. You can use **Easyfundraising** all year round and not just for Christmas. Add the donation reminder and never miss a donation for us again. Thank you. 😊

We hope you enjoyed watching the short films the children made to celebrate Harvest – here are some more photographs of the displays the children created.

The children in Year 3 have been busy making Diwali lamps as part of their RE topic studying Hinduism. They looked amazing and will now be left to dry before adding the final addition - a night light candle.

Cornwall Virtual Winter Games

This week the whole of KS2 competed for the school in the above event.

All the children completed a Sprint Relay, Obstacle Relay, Speed Bounce and Chest Pass. Everyone tried their utmost to get as many points for the school.

All the results have been sent to the organisers and will be compared to all the other schools in Cornwall, who also competed.

Results to follow next week.

Fingers crossed!

The children looked as if they were having fun competing in a different way. Well done.
