

'So then, stop doing anything to hurt others. Don't lie anymore, and stop trying to fool people. Don't be jealous or say bad things about others.' 1 Peter 2:1

Next week all the children will be back in school! We can't wait!

Reception will become bug detectives and see what they can find together in the woods.

Year 1 will be planting beans and thinking about what they need to grow.

Year 2 will be creating their own action heroes in the woods and learning all about story writing.

Year 3 can't wait to be reunited again! We will be diving into sea stories with Michael Morpurgo's Dolphin Boy.

Year 4 are super excited about being together again and we will be having fun beginning our topic 'Spectacular Spain'.

Year 5 will be exploring the Polar Regions with Matthew Henson.

Year 6 will be welcoming back the 'home-learners' and reconnecting through fun, food and friendships! 😊

TEMPEST CLASS PHOTOGRAPHS

The Tempest Photographer will be in school taking class photographs (whilst adhering to our COVID rules) on **Thursday 18th March.**

Year 6 have enjoyed exploring lots of aspects of their World War II topic. They particularly enjoy listening to 'records!' They have also been learning about the eye – some photos were too graphic!

COMIC RELIEF

On Friday 19th March we will be supporting Comic Relief. This will be a non-uniform day when the children, if able, are invited to make a small donation. Thank you.

Well done Isla – we loved seeing your work on capacity!

We STILL need help with a MUCKY situation!!

Our animals are an integral and special part of our school and provide us all with lots of therapeutic joy and help us with our learning. The children love taking responsibility for their care during the week and we are so lucky to have a team of amazing parents who look after the animals over the weekends and holidays. Thank you. 😊

One challenging consequence of keeping animals is that when they are cleaned out we generate a lot of **MUCK!!** We have now reached a stage whereby we need to relocate are supplies but we need your help! Do you know any friendly farmer who might be able to come and collect our 'MUCK' and use it? Do you have need of high quality manure? we can supply it free of charge! If there is anything you can suggest we would love to hear from you.

If you can help in any way please contact the school or Claire Mollet. We would like to put together a working party as soon as it is safe to work on this, along with getting the enclosures ready for the summer.

TERM DATES 2021 - 2022

Our term dates for 2021 have now been uploaded to the school website. Term will resume for the children on **Monday 6th September 2021** and finish on **July 22nd 2022**. We hope that this helps with any plans you may have for this year and next summer!!

Car sharing on school run

At this time please **avoid car sharing**, but if you have to, please follow these simple steps.

Wear face coverings

Sit as far apart as possible

Share with the same small group only

Keep windows open

Wash hands or use sanitisers before and after

Clean the car after every journey

World Book Day!

Thursday 4th March was World Book Day. It was great to see so many people involved both at home and those at school. Below are some photographs of the day. 😊
