

'There is no one who always does what is right, not even one.' Romans 3:10

What's in store for the children next week?

Reception will be cooking and tasting Jack's magic beans.

Year 1 will be blasting into space as they make their rockets.

Year 2 will be looking closely at the artwork of Nanette Martin and using oil pastels to create our own versions.

Year 3 will be in the advertising business!

Year 4 will be writing an awesome recount based on a poem by Michael Rosen.

Year 5 will be finding out about Saxon invasions in Britain.

Year 6 will be thinking about our new science project and stepping into the shoes of Charles Darwin.

Year 6 BBQ from 4pm – 5.30pm

20th July – BREAK UP FOR SUMMER

Thank you so much for supporting Millie and Ella in their Bake Sale this week. They raised a tremendous **£184.47**. We wish baby Henry and the whole family all the best.

Year 5 are doing an amazing sponsored 'JUMP OFF' in aid of the British Heart Foundation on Wednesday 23rd May. The children have been practising their skipping skills every week and have set themselves a challenging 50,000 skips target between them and with the help of some parents! Year 5 parents are invited to join them at 1.45pm – please do give them all your support. Any sponsorship raised will be divided 80% to the British Heart Foundation and 20% towards a school project of their choice.

Year 5 have also been building spaghetti structures strong enough to survive a 'jelly' earthquake. They put a great deal of thought into the type of structures that would be strong enough to survive a quake and then tested it with a good shake.

TERM DATES FOR NEXT ACADEMIC YEAR ARE NOW ON THE WEBSITE

Our Military Heroes Kids Club visited St Stephen's Church this week to sow poppy seeds around the War Memorial.

Over the last three weeks the children have enjoyed having demonstration music lessons from peripatetic music teachers from the Cornwall Music service Trust. They enjoyed listening to the keyboard, piano, woodwind instruments and the drums – they particularly enjoyed the drumming demonstration which made us all dance! If your child is interested in starting music lessons please speak to Mr Hill or Mrs Dunbar.

Reception and KS1 came together to work as teams and share the learning. They had a great time getting to know each other better and they worked really hard.

Year 2 love doing practical maths. They use all sorts of different ways to solve problems and they love working together. Keep up the great work – well done.
