World book day today! We are going to have a mixture of activities that you can pick from and then a book scavenger hunt for our zoom call later.

Are you going to dress up today? All the teachers and children at school are going to dress up as a book character, hopefully we will see some of you dressed up too!

Here are some fun world book activities you can pick from, see how many you can do today.

- Read your favourite book.
- Design a book cover, can you think of a story you know and love and make a new front cover for it? You could even try and copy the cover.
- Make a bookmark to help you remember where you finished reading a book.
- Listen to a story on <https://www.storylineonline.net/> or on <https://www.storynory.com/>
- Make your own character from a book, you could use playdough, paint, colours, what ever you want!
- Have a look on <https://www.worldbookday.com/resources/> for some more ideas and inspirations for today.

We are going to have our zoom call today, have a go at finding the items on the scavenger hunt before you come on the call. You can then show us the book you found them in, don't worry if you don't find them all.

See you soon!
