IT'S NOT TOO LATE TO ENTER A TEAM FOR THE PTA ADULT QUIZ EVENING

On **Friday 31st January** we are holding our Adults' Quiz Evening. This is a great evening of fun whilst testing your knowledge and learning something new! It is also a good way to meet and socialise with other parents.

The team entry forms can be obtained from Mrs Dunbar. The cost of entry is £5.00 per head and includes a delicious supper of jacket potato and chilli (vegetarian option available) Teams are able to bring their own beverages.

The closing date for team entries is 27th January. All funds raised will go towards renewing our very old laptops! Thank you.

We are **Marine Champions** from Year 4. We are thinking about how we can help to save our planet. We want to help animals in the sea. We watched a film and saw lots of plastic pollution. We want to help reduce this. Please help by saving your **crisp packets**. We will collect them and send them away to a company called **Terracycle** who will make them into new things. There will be boxes available in school at lunchtime. Thank you! ☺

We love homework that involves food, cooking and eating! Maisie and Freya baked some delicious churros as part of their Spanish project.

The excitement in Year 1 was heard throughout the school when they discovered a spaceship had crash landed on the school field. They were asked by NASA to investigate what had happened and report back to them. It looks like there may be a visitor in Year 1 for a few weeks until the children devise a rescue plan.

Please can we remind parents and those who drop a child off at school that they must be on the premises by 8.50am. Registration takes place between 8.55 and 9.00am and after that lessons will start with 'early morning work.' Children arriving after 9.00am will need to enter school through the front entrance accompanied by an adult who will need to sign the child in. They will be recorded as LATE for school. It can be upsetting and embarrassing for children to arrive late in the classroom, when everyone has already started work so it is important that children are on time. Thank you.

Please, please can we ask that parents let us know if your child is not attending an after school club. It can take a long time to ring parents in an attempt to ensure they have been safely picked up. Thank you.

Year 6 looked splendid in the Tudor attire ready to celebrate the Feast of the Epiphany. The food looked amazing, tasted delicious and was eaten by candle light in the banqueting hall. The Royal Court was joined by Henry VIII and his beautiful wife Anne Boleyn. They sang and danced and made merry.
