Our Military Kids Club Heroes spent a fantastic afternoon painting mugs and plates as part of their Club on Monday afternoon. We have some budding ceramic artists in school.

Can you spare a couple of hours during the morning of the 20<sup>th</sup> July? We will be having an 'animal' maintenance morning when we make sure that the animals homes are all safe, tidy, clean and secure for the summer. If you can help in any way from 9.00am – 12.30pm please let Claire Mollet or Mrs Dunbar know. Many hands make light work. 😊

Isabelle, in Reception class, made the most amazing model of the Gruffalo out of clay. Doesn't it look realistic.

The children from Year 5 have been having the most amazing time at Heatree this week. They have been climbing and abseiling, stream walking, kayaking, raft building and much, much more. All of this has been interspersed with lots and lots of incredible food. They have made memories that will last a lifetime and attempted things they have never done before.

The next Family Service will be at St Stephen's Church on Sunday 7<sup>th</sup> July. Please do come and join us at 10.00am.

Everyone is welcome – something For everyone.

Year 6 have spent the week focusing on science and in particular on light. They have made colour wheels and yesterday tested out their periscopes! Here they are looking over the ridge to see what was coming their way!

Year 2 love mathematics and have great fun learning in a practical way. 😊
