World Book Day – 1st March

To celebrate World Book Day we are inviting the children to come to school dressed as their favourite book character and bring the book they feature in to school with them. Some children do not like dressing up but we would love it if they could bring a favourite book to school.

Please remember this is not a competition and is meant to be fun for the children and parents! During the day the children will be looking at different authors and enjoy spending the day exploring their favourite books.

The children will also bring home a £1 book voucher which can be spent at the forthcoming book fayre or at any bookshop.

PARENTPAY

We are really pleased that so many of you appreciate the new PARENTPAY facility which will enable us to be a cashless school.

This facility will be rolled out to the children in Reception, Year 1 and 2 as soon as we have a trip planned. Please, also note, that all school meals **must be paid for in full by the end of the week** and that you can put money onto your account which means you are in credit! As the system beds in we will give you further updates.

Year one have been learning how to mix colours and finger paint – the results were beautiful. They have also been working hard in RE and created a stunning display about Creation.

Thank you to the Caterlink team for providing the taster session at the Parent Consultation Day. The feedback from parents and children was really positive.

Everything was really tasty and looked so appetising.

It was lovely to see so many of the children in their uniforms on Thursday. Here they all are spending some time 'thinking' together. They looked very smart.
