

'Show me the right path, O LORD; point out the road for me to follow.' Psalm 25

Dear children and parents

We have arrived at the end of the last full week of school after what has been a very different and at times difficult few months. It has been a delight to see most of you, if only for a limited time, over the last two weeks – you seem to have all grown so much and being back in school you've had such fun. Hopefully everything will be back to some sort of normality in September when we look forward to seeing all of you together again.

This week has been busy with baking, making, running, playing, chatting, catching up, water fun, learning new things and just enjoying each other's company. Just what school is all about.

Reception, Year 1 and some of Year 2 made lots of noise during their water fun time as well as lots of activity in their mini sports day!! Everyone got incredibly tired and wet!!

Year 3 made some amazing skeletons this week, learning the names of all the major bones and placing them in the right place!!

Year 6 were joined by Paul Hollywood, Sandy Toksvig and Mary Berry for the Great Bishop Cornish Bake Off with a blind bake (a 'non-bake' cheesecake). Congratulations to Emily and Hollie who were awarded Star Bakers. See picture overleaf!

Finally, lots of big birthday 'shout outs' for those who have a birthday this week and during the summer holiday: **Naya** who will be 5, **Eliana, Eloise** and **Jack** who will be 6, **Lewis B, Lewis G** and **Jack** who will be 7, **Amelia, Ava, Isla** and **Niall** who will be 8, **Grace, Savannah, Ollie** and **Thomas** who will be 9, **Yasemin** who will be 10 and finally **Evie, William, Jasmine, Joshua, Spencer** and **Charlotte** who will all be 11 – **A MASSIVE HAPPY BIRTHDAY TO YOU ALL!**

Lots of love, Mrs Green. xx

Words cannot express our gratitude to Mr Adam Wherly, Finley and Elijah's uncle, who has created, built and installed the most incredible vertical xylophone for our woodland area. Adam works for Acoustic Arts making these beautiful instruments and it has already given the children hours of musical fun whilst they take part in Wild Woods – it sounds beautiful. **THANK YOU.**

Please watch our short film of the children playing it on our website – it's priceless.

The installation was a whole family affair so thank you to everyone who helped – it will be a treasured part of our school for many years to come and we couldn't be more thrilled. ☺

Fun on the field in our mini reception and KS1 sports afternoon – Senior referee and judge was Mrs Oakes! Well done children – lots of laughter and fun. 😊

Here are some of the things that Year 6 have been up to this week – never a dull moment!
