BEING PASSIONATE ABOUT PARENTING

We are hosting this **FREE** one-day workshop for parents on the 3rd October from 9.30am – 2.30pm. This is being run by Family Workers from Cornwall Council and will be a valuable day for all parents who would like some practical, emotional and friendly support and help. The focus of the workshop will be to build relationships with your child; to develop strategies to support behaviour; to give support and information to parents and carers and to support parents in building healthy relationships that encourage independence, respect and good communication. If you are at all interested, or know someone who might be, please see Mrs Dunbar or Mrs Hale for a leaflet.

Please can you complete and return your Data Sheets by Monday 16th September, if you have not already done so. It is important that we have up-to-date information in case we need to contact you in an emergency. Thank you.

We have had a fantastic first full week back at school and there have been lots of 'thumbs up' as the children and staff settle back into their learning. Well done everyone – keep it up.

We were delighted to hear the news that Isaac had been selected for the Plymouth Schools Football squad and then thrilled when he became Captain. Well done Isaac – we know how important this is.

This term, as a whole school, we are focusing on handwriting and ensuring that children are forming their letters correctly. This is essential if children are to develop a legible style which is smooth and quick. If children don't form letters correctly this can make writing difficult later on. More information will be provided by class teachers about how you can help at home. Thank you.
