Thank you so much for your understanding regarding the school closures last week. Making the decision to close a school is really difficult and one which is not taken lightly nor in isolation.

Given the weather forecast for Thursday and Friday last week and the fact that many staff live some distance from Saltash and were snowed in, it was safer to ask the children and staff not to travel to school. We recognise that for many parents this is really difficult and we hope that you were able to make suitable arrangements.

For many of the children it was their first experience of snow and we hope that they had an opportunity to play, sledge and build a snowman. Any photographs that you have and would like to share with us please do send them to Mrs Dunbar.

World Book Day – 8th March

Many of the children and staff had worked hard to prepare for World Book Day last week and we would like to have a belated celebration this coming Thursday (8th March). The children are invited to come to school dressed as their favourite book character and bring the book with them if they would like to. If they don't want to dress up they can bring a favourite book along to show their class mates. We can't wait to see what the children look like. 😊

We have had some volunteers to run the school **Book Fayre** next week but need some more helpers to share the load. If you can help please speak to Mrs Dunbar. Thank you.

A special **thank you** to the team of parents who organised the recent **Barn Dance**. It was a tremendous occasion and everyone who attended had great fun. The intention was always that this would be a social event but the team also raised money. We will confirm the amount at the end of the week.
