The KS2 children are so excited about their latest piece of play equipment – a double slide!! It is already proving to be a huge hit. A massive thank you from us all to the Education Centre Charitable Trust and Lady Boyd for paying for something that will provide hours of fun. This was the inaugural 'slide' keenly watched by the children.

Following on from our Year 4 Marine Champions work, the children have been writing some powerful messages for us all. We hope to continue with this project next year. Well done children – keep spreading the word.

'Litter could lead to life's extinction – we want you to help save the future generations. Mother earth needs us and it is time that we start to help. The planet has never been in more need than now. We are the rudder that steers mankind forward. Are you going to help stop litter?' Guy - Year 4

Years 1 and 2 had a fantastic day at Wembury beach rock pooling and creating sand sculptures as well as staying cool paddling. Thank you to the team of parents who accompanied them – a long, hot day but so educational. ☺

The children looked fantastic in yellow last week – it really brightened the day and made us feel cheerful and sunny. Thank you for your support. As a result, we have been able to send a cheque for **£415.46** to the Cystic Fibrosis Trust.

Congratulations to the children who represented the school at the Inter-schools Area Sports. On a baking hot evening in Liskeard they ran their hearts out, competing against 8 other schools. There were some outstanding individual performances and overall we came 4th. Well done everyone.

Mr George and Miss Edlin took our MKC Heroes over to the Naval Heritage Museum in Devonport on Thursday.

They had a fantastic time and learnt such a lot about the Royal Navy.
