

'There is a right time for everything, and everything on earth will happen at the right time.'

Next week the children in:

Reception will be looking forward to a 'roar-some' time at the zoo!

Year 1 will be gathering information to write a non-fiction book about plants and growing.

Year 2 are looking forward to visiting Morwellham Quay.

Year 3 will be exploring the oceans of 'Our Awesome Planet' at the Marine Aquarium.

Year 4 will be exploring myths and legends.

Year 5 will be looking up fascinating facts about volcanoes.

Year 6 will be creating stunning water paintings.

BREAK UP FOR SUMMER – 21st July

At this current time please rest assured that the school is following all the guidance and direction from the Department for Education and Public Health England. Please see the website for an update on the Coronavirus advice particularly around hygiene and minimizing risks. As soon as we have any new information or instruction we will act on this and notify parents immediately. Our aim is to ensure that the children feel safe in school and continue to enjoy their learning.

Boys Football B Team Top of the League

Well done to our Boys B Team who this week beat Polperro A Team 2-1 and Dobwalls A Team. That means they are top of the league, 6 wins out of 6, with 1 game to play against St Cleer on March 24th. Well done boys and good luck for the last game!

The Reception children have really enjoyed being outside looking for bugs in the sunshine! At last the rain stopped!

Year 2 had a fantastic Victorian day on Thursday. They played games, like pinning the tail on the donkey, made special food and dressed up to make the day really authentic.

Jack met a new friend this week. He was very small, walked very slowly and didn't have a lot to say! It was a stick insect!

Easter Egg Buggy Competition

Over the Easter holiday we are setting the children a special challenge to build a buggy that can transport a creme egg as far as possible across the hall. This is a really exciting challenge for the children and something that parents can help with at home. The buggy must be self-propelling ie cannot be pushed or use batteries. There will be prizes for the buggies that travel the furthest and in the straightest line. Every year we have been thrilled by the different designs and the creative engineering. So give it a go and take up the challenge.

The races will be held in school on Wednesday 15th April after we return from the holiday. Below are some pictures of last year's event.

Congratulations to the netball team who played superbly on Thursday. They played three schools and didn't concede a single goal. They have now qualified for the Tier 2 stage of the competition which will be played in Callington on the 29th April. Well done everyone – a fantastic performance.
