If the afternoon timing is not convenient please let the office know and we can look at running a later session in the second half of the summer term.

**Messy Church at St Stephen's Church on Saturday 18<sup>th</sup> May from 3.00pm – 5.00pm. The theme this week is God's Seasons.**

**Please do come along and enjoy the activities, worship and food. Everyone is welcome.**

Unfortunately, wherever there are heads there are headlice around!! Please can we ask you to check both children and adults for headlice and treat as appropriate? Regular combing is a great help as is using conditioner. We have a number of reported cases and want everyone to be aware of the need for extra vigilance. Thank you for your help.

**SPORTS REPORT FROM MR BROWN**

**QUAD KIDS ATHLETICS**

On Tuesday morning our Year 3/4 athletics team competed in the Quad Kids Athletics Competition at St Stephens. They performed really well to come a very close 3rd in the team competition. Also, a huge well done to Monty Wickham, who came 1st overall in the individual competition - a great achievement. In the afternoon, our Year 5 team, competing against Year 6s, also competed really well to come 3rd, with Harry Truscott also coming 3rd in the individual competition. Well done everyone!

**COUCH TO 5KM CLUB**

It was so wonderful to see so many families and staff at the first week of the club last week. The actual 5km event will take place on July 12th, in conjunction with the Summer Fayre. Even if you cannot attend the club, it would be great to see as many families as possible participating. More details to follow!

With the better weather upon us we would really like to encourage more children to walk to and from school wherever possible. It may be that, if you have to use a car, you could park further from the school and walk the extra distance together. There is lots of evidence that shows walking to school helps children concentrate during the day and it is much healthier for everyone. This builds on all the activities that the children take part in both in and out of school.

Year 4 have been focusing on 'sound' in science this week and were experimenting using water and bottles to help understand pitch. It all sounded lovely.

Year One found a letter in a bottle from a shipwrecked pirate this week. They are desperate to rescue her and have written back with lots of rescue plans. Let's hope that Annie the Pirate gets the letters in time!
