Year 5 had great fun doing mathematics in the woods last week. They had to take some very accurate measurements.

Year 4 had the most amazing day in Truro learning all about the Romans. They did some fantastic things and everyone had a wonderful day. Here are some pictures of their trip. More photographs can be found on the website. They even got to sit in the driver's seat of the Park and Ride Bus!!

Year six created the most incredible stick figures of Henry VIII, his six wives and his three children! Can you spot who's who? Anne of Cleves was certainly no oil painting!!!

It was lovely to see the children and staff in their spotty clothes today – they raised an incredible £184.66 for Children In Need.

Please can we have Christmas dinner orders as soon as possible so we can give dinner numbers to the kitchen staff. May we also remind everyone that the children should now be in winter uniform which includes a tie. It is very important for us that the children all look smart. The children are also able to bring slippers to school but we do ask that these are not novelty slippers, which become a distraction. Thank you.

The Reception Class looked terrific in their Super Hero suits – we felt very well protected! Well done – you all had a fantastic day and we loved giving you a big round of applause on Friday.
