THURSDAY 6TH SEPTEMBER – NEW TERM STARTS

The children enjoyed their 'move up' day on Wednesday and had a chance to get to know their new teacher and find out about the things they would be learning next year. Please do check out what the curriculum holds for the children next year on our website – **LEARNING** tab and then choose the key stage and class. Year 3 even had a Spanish taster session! Please do speak to the member of staff concerned if you have any questions about next year.

As the end of term rapidly approaches we prepare to say farewell to Mrs Williams and Mr George at our Leavers' Service. However, we look forward to welcoming two new members of staff in September. Mrs Sam Berry will be joining us as our part-time Intervention Teacher and will be working with different groups of children supporting their learning and providing PPA cover for KS1 staff. We will also welcome Mr Bob Brown to the staff. Mr Brown has an outstanding history of teaching PE in primary schools and he will take on the role of our PE lead. He will also be covering KS2 PPA during the week and running lunch-time and after school sports clubs on the days that he is working for us. More information will follow at the start of next term.

Year 5 on their move-up day toasting marshmallows on the fire

Year One had a wonderful Teddy Bear's Picnic on the school field. The weather was perfect and here they are having fun.

A massive thank you to everyone who supported the **Summer Fayre** last Friday. In particular a big thank you to the team of parents who helped set up during the afternoon, who ran stalls and who stayed to help pack away afterwards. The weather was perfect – if not a little too hot for some of us! We raised, in just 1 ½ hours, an incredible **£580.00**. Thank you, thank you, thank you.

Thank you so much for all your generous donations of food, which helped us, celebrate the school's 40th birthday this afternoon!

During the afternoon the children have taken part in a fun Treasure Hunt organised by our amazing support staff. Thanks to the PTA, the treasure for the children was a huge supply of playtime games for every single class in the school. There will be lots to keep them occupied when the weather turns and they cannot get outside! Staying in will be great fun! Thank you to the PTA for their generous donation and purchasing all the games. After the fun of the treasure hunt the children then enjoyed their party picnic under the trees.

Here are just **some** of the games the PTA have purchased for the children.

The Year 6 children were treated to a 'book signing' opportunity with Chris Higgins the author of 'A Boy Called Ocean.' They are looking forward to getting stuck into the book having met the author.
