We desperately need old newspapers in school – they are really useful for a range of things including the animal pens! We would love to take them off your hands.

Sadly, very few people were able to join us for the peripatetic music service concert this week. It was a real treat for those few families who attended – thank you. If your child would like to start learning to play a musical instrument please speak to Mrs Dunbar or Mr Hill. Who knows, we may have a budding Mozart in our midst!

The children have had a wonderful time visiting the Epiphany Prayer Spaces this week. In groups of 15, every class has spent time using all their senses to experience this special time. **'It was the best Prayer Spaces ever – I loved the sand journey and the different smells,'** said one Year 2 pupil.

This week we would like to introduce you to another member of our Governing Body. More information can be found on our website, so please do have a look.

**Clr Hilary Frank - Vice Chair of Governors**

Hilary is an interpreter of Japanese who has worked on the 1998 Winter Olympics; the 2002 FIFA World Cup and is currently working with the team delivering the 2019 Rugby World Cup,

She joined the Bishop Cornish family as a governor when her oldest daughter was in Key Stage 1 at the school.

Starting off as a Foundation Governor, Hilary morphed into a Local Authority Governor after she was elected to Saltash Town Council in 2011 and Cornwall Council in 2013.

Hilary stood down from the Town Council in 2017 after serving as Mayor of Saltash, but still continues in her role as Cornwall Councillor, where she serves on the Children and Families Committee.

A huge thank you to the 'Open the Book' team who have spent the week with us leading the Prayer Spaces.

The Reception class have had great fun out in the woods, collecting sticks and building dens!

**PLYMOUTH JUNIOR BADMINTON ELLIS TOURNAMENT**

If your child is interested in Badminton, there is a Junior Tournament on Sunday 10th February at the Plymouth Life Centre, starting at 9am. They can compete in Under 11 singles and/or doubles, both boys and girls. If your child is interested in competing, please see Mr Brown for an entry form.

Using large sheets of paper Year 3 mapped the town of Saltash by drawing key landmarks and features. They plotted the roads and paths and major buildings. They worked well together.
