Friday 31st January – Quiz Evening (Adults)

FRIDAY 14th FEBRUARY – PARENT CONSULTATION DAY

Please do make a note of these dates.

Year 4 have continued to learn so much about the Romans both as homework and in school. Their weaving is beautiful.

Thank you so much for all your donations for the Saltash Foodbank. Our Harvest Festival Service in St Stephen's Church was wonderful – thank you to the children for leading the worship so beautifully. Look how much food we collected! We always have a basket for non-perishable food for the foodbank in the front entrance should you wish to donate to the foodbank.

It was lovely talking to Aya who is currently in Japan. It felt like she was in the classroom with us! We can't wait to hear about her travels when she returns. ☺

Homework is such fun when it involves baking a SPACE CAKE. The children have been really creative and it is not often that you can say homework was delicious!!! Thank you parents for all your culinary support.

Last week the Air Ambulance staff visited school and told all the children about some of the work they do and how they help people. I however got it all wrong when I said a **Yellow and Green Day** would take place on **Friday 18th October**. It will in fact be a **YELLOW and RED Day!!**

Year 5 created the most beautiful constellation pictures in art. They would not be amiss in any art gallery. Well done.

Food allergies

There are a number of children who have various food allergies in school and it is important that we make the environment as safe as possible for them. Please can we ask that children refrain from bring nuts or peanut butter (including bars) into school for lunch. Your help with this would be much appreciated. Many thanks.
