

'I am holding you by your right hand – I, the Lord your God. And I say to you, 'Do not be afraid. I am here to help you.' Isaiah 41

What's in store for the children next term?

Reception will be taking a break from traditional tales to prepare 'one use' plastic art for an exhibition.

Year 1 will be going on a bear hunt – will they find one?

Year 2 will be are looking forward to taking part in Sports Day and cheering everyone on.

Year 3 will be creating Peace paintings and collages.

Year 4 will be using their PowerPoint skills to create a presentation on habitats.

Year 5 will be artists in residence creating a class canvas.

Year 6 will be making prototypes of their bridges to impress the Peruvian Prime Minister!

FOR YEAR 6 AT ST STEPHEN'S CHURCH 1.45pm
start**

Year 6 BBQ from 4pm – 5.30pm

20TH July – BREAK UP FOR SUMMER

PTA Summer Fayre

Our Summer Fayre is fast approaching and preparations are well underway. We will have a range of summer stalls, **ice cream** sales and a **BBQ**, **candy-floss** and **refreshments!** We will be holding our traditional **Country Fayre** and **Dog Show** and **games** for the children to play.

If you have any unused, good quality children's **books** and **toys** we will be holding a special stall for the children.

We also need **plants** and **cakes** for the day.

If you are able to help in any way, either setting up a stall, running a stall or packing away afterwards we would be extremely grateful. There is a volunteer list you can sign at reception or speak to Mrs Dunbar. Most of all we need your support by coming and joining in the fun.

We look forward to seeing you on the 29th June on the school field. ☺

Year 4 had an amazing day at Antony House on Wednesday. The weather was absolutely perfect for the day – here are some photographs.

On **Friday 22nd June** our **School Council** are inviting the children to wear something **yellow**, your sunniest item of clothing, in support of **Cystic Fibrosis Awareness week** – it can be a small item of clothing such as a pair of socks or a tee shirt! If children would like to make a donation of anything up to £1 that would be wonderful. We do have a collection box situated in the front entrance if anyone would like to send in further donations. We will count this at the end of the term. Thank you

SPORTS DAY – 21st JUNE

Next Thursday (weather permitting), we will be holding our Sports Day and parents, family and friends are invited to join the children in the afternoon for all the fun. Whilst the children will be taking part in a range of events in the morning, we are hoping that the first race in the afternoon will start at around **1.10pm**. We will open the gates by the reception class **at 12.55pm** once the children are all back in school. They will then all come and join you on the field. This year we **will not** be serving refreshments so please bring along any refreshments for the afternoon.

If we have to cancel this event because of unfavourable weather we will make a decision by 10.00am and notify parents by text. This is always difficult so please bear with us.

In advance can we please remind parents that photographs of this event must not be put on any social media site and are for personal use only. Please can you ensure this is conveyed to other family members and friends. Thank you.

Please can you ensure that all school dinner payments are made via ParentPay on a weekly basis. Thank you.

Here are some photographs of Year 4 building their award winning recycled rubbish totem pole. Thanks to everyone involved.

Year 6 have been learning about the resourcefulness of stone-age man and how flint was crucial to their survival. The children have been chipping shards of flint, in small groups, and will be making flint tools. Watch out Fred and Barney!!
