

Next week the children in:

Reception will be learning about the Festival of Colour – the Hindu festival Holi.

Year 1 will be catching Beegu and sending him home!

Year 2 – How does your house compare to one in Victorian times?

Year 3 will be using their creative skills to find out how Diwali is celebrated.

Year 4 will be exploring and creating their own Aboriginal Art.

Year 5 will be researching the legacy of Greek theatre.

Year 6 will be finishing and performing some expertly created 16th century ostinati in music!

BREAK UP FOR SUMMER – 21st July

Year 5 have been learning all about Spain, its geography, people and culture. Scarlett baked an amazing Spanish orange cake and Autumn dressed up as a flamenco dancer. One looked brilliant and the other tasted delicious!

Annual Report to Parents

On Monday your child will be bringing home their annual report and a summary of their attendance so far this year. We hope you find these, alongside the parent consultations during the week and on Friday, a really helpful indicator of the work your child has completed so far this year and the progress they are making. The teachers are looking forward to meeting with you all.

If you have not yet made an appointment time, please contact Mrs Dunbar.

Congratulations to our football teams who played against Sir Robert Geffery's School on Monday. All the teams played superbly in what were very muddy, wet conditions.

The girls won their match 3 – 1 and the boys, who were our B team playing against SRG's A team, won 6 – 4. Well done everyone and thank you Mr Brown for coaching and encouraging the children.

The children in reception get lots of practice handling the many animals we have in school. Last week they were with the guinea pigs and this week with the free range chickens!

BISHOP CORNISH PRE-SCHOOL

Do you know anyone looking for an outstanding Pre-school experience? There are currently a few spaces available in our amazing purpose built Pre-school with more spaces available in September. The provision offered is exceptional so please spread the word.

Year 1 are on duty in the Space Mission Control Center whilst others are building space ships to get Beegu home.

Year 2 are learning all about life during Queen Victoria's reign. They have been working in the Victorian school house and finding out what it was like living in the workhouse. We all agreed that we are very lucky today with all the things that we have!
