

'For I know the plans I have for you,' declares the Lord. 'Plans to prosper you and not to harm you, plans to give you hope and a future.' Jeremiah 29:11

Next week the children in:

Reception will be making smores in the woods.

Year 1 will be baking Beegu biscuits and creating drinks!

Year 2 will be learning about Victorian toys and looking at Renoir's famous umbrella painting.

Year 3 will be taking an imaginary trip to Mousehole to meet Mowzer the cat.

Year 4 will be become musical maestros as they compose their own rhythmic pieces of music...get the pots and pans ready!

Year 5 will be walking on the moon...

Year 6 will be finishing Lady Mary - look out for the new chapters on the home learning tab!

Monday 19th April – new term

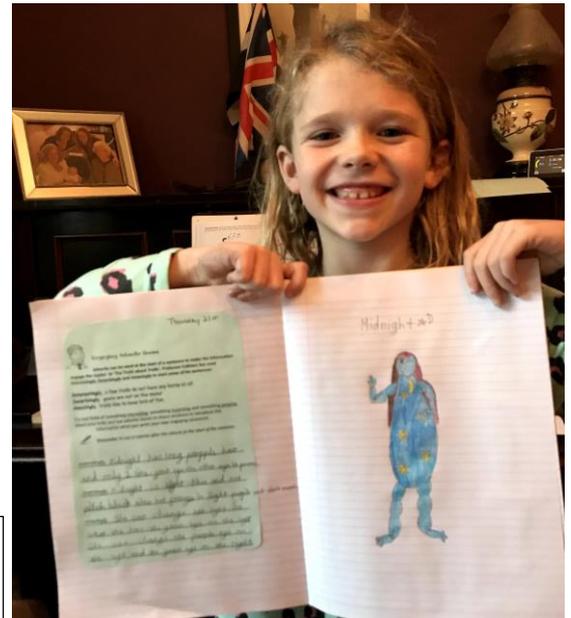

INSET – 28th May

Half term – 31st May – 4th June inclusive

Wednesday 21st July – children BREAK UP for the summer

22ND AND 23RD JULY INSET

We have seen some fantastic learning in school (and at home) this week. Please remember that everyone is doing this at their own pace and in their own way – that is OK. 😊

Year 1 would like to say a big 'well done and good bye' to Miss. Salmon who has been on teaching placement with them. We have all thoroughly enjoyed her company and learnt so much. We wish her all the best for the rest of her final year and know that she will make a fantastic teacher for some lucky children.
Thank you Miss Salmon

It has been super to see some of the children catch up with their teachers and each other in our recent Zoom meetings. The children and staff get really excited about seeing each other and being able to chat, share and quiz together. Year 3 even did a PE lesson with Mr. Brown this week. If your child hasn't yet joined one of the class get 'togethers' please do log-in and join us. It's lovely that pets, teddies and parents can also join in. 😊

This is amazing Eleanor – your model of our solar system is really creative and effective. We love the stars in between. Well done. 😊

Class teachers will now be contacting parents and carers individual to arrange Zoom or telephone appointments to discuss Annual Reports. Teachers will be prioritising those parents whose children are currently not in school but everyone will be offered an opportunity for a meeting. We do ask for patience as these appointments are arranged.

The children in reception class have been learning about dinosaurs – what fun. They have also been looking after our animals in school. Here they are giving the chickens their daily cuddle and Isaac, Garrick and Gordan came to see what they were up to in the classroom! The alpacas are very nosy but very cute!!
