Year 1 went on an exciting mini-beast hunt around the school grounds. They found all sorts of incredible creatures that we so often don't see or miss.

Martin the guinea-pig likes nothing better than a light snack whilst sharing a book with the children. He is an excellent listener and always cheerful.

Our Grass Track Cycling team headed off to Liskeard School on Wednesday to compete against 10 other schools. Mr Brown was very proud of the way they worked together and cycled as a team. As a result of their hard work the team came 1st which means that they qualify for the Cornwall School Games later in the year. Well done everyone.

Reception Class had an amazing visit from the Fire Brigade – the cars in the car park were so clean and Mrs Green came out to investigate the loud siren!! Thank you to the crew for coming and showing us what they do to help other people. ☺

As we move through autumn the weather is getting wetter and colder! Please can you ensure that your child always has a **named waterproof coat** in school. The children will still go outside at playtimes for some fresh air unless the rain is torrential! We are already starting to gather lost property – these items are unnamed so we cannot reunite them with their owners! Please do check to see if the name on your child's clothes is still visible. After a number of washes it can fade. Thank you.

Could we also please ask that you check your child's hair for **head lice** – whilst we haven't had any recent reports, this is a good time to check and treat. ☺

Year 6, using their mathematical and scientific skills, designed an afternoon tea for a Tudor family. They baked homemade Tudor bread, churned homemade Tudor butter and ... made 'blackberry jam' which would not have been part of the Tudor menu, however Henry VIII may have indulged in the sweet treat as sugar was extremely expensive.
