

# Learning Wall Mathematics

<p>I can measure how long something takes to happen - such as how long it takes me to run around the playground.</p>	<p>I find a quarter of a shape or a set of objects by sharing the shape or set into four equal parts.</p>	<p><b>[KEY] I know my number bond facts to 20 - such as <math>1+5 = 6</math> and <math>5 = 6 - 1</math>.</b></p>	<p><b>I add and subtract numbers up to 20 - such as <math>5+5</math> or <math>12-8</math>.</b></p>	<p><b>[KEY] I use words such as long or short, longer or shorter, tall or short, double or half to describe my maths work when I am measuring.</b></p>	<p>I know that coins have different values - such as 2p, 5p, 10p and 50p.</p>	
	<p><b>[KEY] When weighing, I use the words heavy or light, heavier than, lighter than to explain my work.</b></p>	<p><b>[KEY] When you show me a number, I can tell you what is one more and one less.</b></p>	<p><b>[KEY] I can count up and down from 0 to 100 and more.</b></p>	<p><b>I can find numbers on a number line when I am solving problems with questions using equal to, more than, less than, most and least.</b></p>	<p><b>[KEY] When working with capacity, I use the words full or empty, more than, less than, half, half full and quarter to explain my work.</b></p>	
<p><b>[KEY] I can answer questions about time, such as Who is quicker? or What is earlier?</b></p>	<p><b>I read and write numbers from 1 to 20 in numbers and words.</b></p>	<p><b>[KEY] I can count, read and write numbers up to 100.</b></p>	<p><b>I can count in 2 or 5 or 10.</b></p>	<p><b>I know and can use the maths symbols + - and = in a number sentence.</b></p>	<p>I can measure the length or height of something and write down what measure.</p>	
	<p>I can measure how heavy an object is and write down what I find.</p>	<p><b>I answer maths multiplication or division problems with help from an adult and using objects to see what the problem means.</b></p>	<p><b>I can solve some number problems such as <math>7 = ? - 9</math>.</b></p>	<p><b>[KEY] I know that a half is one of two equal parts, and I find half of a shape or a set of objects by sharing the shape or set into two equal parts.</b></p>	<p>I can measure the capacity of jugs of water and write down what I measure.</p>	

# Learning Wall Mathematics

		<p>[KEY] I can name common 2-D shapes such as rectangles, squares, circles and triangles.</p>	<p>I use special time words such as before and after, next, first, today, yesterday, tomorrow, morning, afternoon and evening.</p>	<p>[KEY] I can name some 3-D shapes such as cuboids and cubes, pyramids and spheres.</p>	
	<p>I can describe my position, direction and movement, including whole turns, half turns, quarter turns and three-quarter turns.</p>	<p>I can tell you the days of the week and months of the year and I can talk about weeks and months and years and what they mean.</p>	<p>[KEY] I can tell the time and draw hands on a clock for to the hour and half past the hour times.</p>
