Dear *Mr. Panagiotopoulos,*

As you may know, the LDBS Education Committee receives the Ofsted and Section 48 inspection reports on schools within the Diocese. At the last meeting of the Education Committee members discussed your school's latest Ofsted inspection report.

Members were extremely pleased to read that the Ofsted inspection judged St Paul's with St Michael's Church of England Primary School to be an outstanding school.

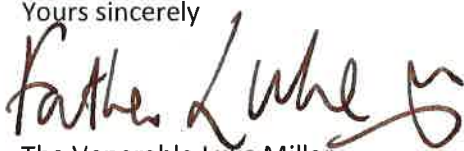

We read that the school provides pupils with a great environment to learn in and that teaching is outstanding because 'teachers demonstrate excellent subject knowledge' and 'they plan and reshape lessons effectively to meet the needs of all groups of pupils'.

The Committee were pleased to learn that most pupils enjoy coming to school and it was good to read that pupils 'learn and grow in confidence to discuss their views and feelings openly' and that they are 'self-motivated and committed to their learning in all subjects'.

We were glad that the inspectors recognised your strong leadership and that of your colleagues in enabling the school to succeed and the Committee were pleased to read that the 'outstanding leadership of the headteacher has provided drive and vision to ensure that the school has improved significantly since its last inspection'.

As a member of the Education Committee and as Chairman of the LDBS Board, members agreed that I should write to you and offer our congratulations on the school's success. Please pass on our good wishes to all the staff and governors who have contributed.

Yours sincerely

The Venerable Luke Miller

*Chairman, London Diocesan Board for Schools*
