Behaviour Policy (Including Anti-Bullying)

Date of Policy	October 2018
Policy Approved by	Governing Body
Review Date	October 2020

This policy should be read in conjunction with the Child Protection (Safeguarding) policy

Statement of Intent

It is a primary aim of our school that every member of the school community feels valued and respected, and that each person is treated fairly and well. The school's behaviour management (including anti bullying) policy is therefore designed to support the way in which all members of the school can live and work together in a supportive way. It aims to promote an environment where everyone feels happy, valued, safe and secure.

School Values

After discussion with all the schools stakeholders we agreed that our four values reflect what we want for our school. From September 2016 we have adopted the following values which adults exemplify for children in school and children are expected to show in everything they do at school.

EDUCATE – we aim to do the best, particularly in our work

PROTECT – how we are kept safe, treat our school and everything in it

LOVE – how we treat each other

SERVE – we are a school with many differences but we are all equally as important as each other and we show this in the way we support one another

At St. Mary's we want all our children to be... free to learn, free to achieve, free to be whoever they want to be in life, free from the effects of bullying.

Implementation

We support and enable children to respond to these values by:

- Ensuring that we strive not to shout at children except to gain attention;
- Treating all children fairly and applying the policy in a consistent way. Helping children to grow in a safe and secure environment to become positive, responsible and increasingly independent members of the school community;
- Enabling children to learn how to manage their emotions to promote positive behaviour and behaviour for learning;
- Promoting and rewarding good behaviour;
- Providing nurture spaces so children are able to take time out and reflect on the four values;
- Explicitly teaching children how to live the values through the GOLDEN RULES;
- Involving all pupils, parents/carers, staff and governors in exemplifying the values and expecting high standards of behaviour;
- Ensuring that it is the child's behaviour that is unacceptable, never the child for whom we have unconditional regard – staff make sure that children's behaviour is categorised by the GOLDEN RULES e.g. that wasn't very gentle or that was not showing respect for property;

- Ensuring that sanctions are consistent and appropriate and children are never humiliated;
- Ensuring that children know which GOLDEN RULE they need to work on to improve their behaviour and why;
- Believing that bullying of any kind is unacceptable and that if bullying does occur, pupils should know who to tell and be confident in the knowledge that incidents will be dealt with promptly and effectively;
- By providing programmes of support for children who find it difficult to control their behaviour.

The whole school community supports the implementation of these values and associated rewards and sanctions. Further support is available from the school's Special Educational Needs and Disabilities Co-ordinator (SENDCo) and Pastoral Lead.

Definitions

This is our agreed definition of bullying:

- the use of aggression with the intention of hurting another person;
- repeated behaviour over a period of time;
- resulting in pain and distress to the victim.

We are aware that bullying can happen in any of the relationships in school: between pupils, between pupils and staff and between staff. In its extreme form it can constitute a criminal offence and is a denial of human rights and of equal opportunities.

(See appendix 1 – Further information about bullying and reporting procedure)

This is our suggested definition of racism that could incur the sanction of being reported to the local authority

- the deliberate use of language which is intended to convey hatred of a person's ethnicity or country of origin;
- a physical attack on an individual as a result of that person's ethnicity or country of origin which is intended to insult that ethnicity or country of origin.

(Any racist incidents should be reported to the Headteacher)

Rewards

Our school is committed to positive management of behaviour where all staff foster an atmosphere which encourages children to behave well, rather than concentrating on what happens if behaviour is inappropriate. We believe consistency across the school helps children to understand clearly what is expected of them. Therefore all staff adhere to the same rewards and sanctions processes. See appendix 2 for class version of behaviour system.

Children can earn rewards individually, in groups or as a whole class. We need to 'catch the children being good'. We do this in a variety of ways:

GOLDEN CITIZEN Behaviour examples	REWARDS
<ul style="list-style-type: none"> • We are gentle • We are kind and helpful • We listen • We are honest • We work hard • We look after property 	<ul style="list-style-type: none"> • Staff praise children where it is deserved, whenever it is deserved; • Staff use the 6Ps to name behaviour when they praise e.g. that was great perseverance, you really tried hard there; • In order to support behaviour for learning we use praise phrases to identify and demonstrate what is expected, children can then be rewarded using individual classroom reward systems. Every day is a fresh start for all children on the classroom reward system; • Staff nominate GOLDEN Citizens every week who exemplify the 6Ps of the GOLDEN RULES, these children are awarded a certificate in Celebration Assembly held every Friday and celebrated on the school website; • All children following GOLDEN rules receive 25 minutes GOLDEN TIME every week. • Where a child has gone beyond what is expected of them a text or class Dojo message is sent to parents celebrating this; • All staff give children house points which contribute to one of the four school houses – the most successful house every week is celebrated in assembly and win five minutes extra play on a Friday; • Staff award stickers to children for good work or behaviour and to acknowledge effort or acts of kindness in school; <p>Yr 6 children who have shown that they are responsible and trustworthy will be chosen to carry out privileged duties, including being a prefect 'Super 6'</p>

Once a reward has been given it should not be taken away.

Some children will find it difficult to achieve Golden Citizenship due to their individual needs. Where appropriate an Individual Behaviour Plan (IBP) will be written by the SENDCo, classteacher, support staff involved and the child. It will have small steps to allow a child the chance to succeed. An IBP will be shared with all staff.

Sanctions

We recognise that punishing whole groups for the misbehaviour of one or a few is ineffective and is seen as unfair by pupils.

The school has a range of de-escalation techniques to provide opportunities for children to redeem their behaviour and ensure a safe and positive learning environment for everyone. All staff employ these consistently to meet the needs of each child / situation. It is important that children know the consequences of unacceptable behaviour and are given opportunities to make choices to improve their behaviour.

Unacceptable behaviour at St Mary’s can be divided into three levels. The following chart shows the stepped approach to deal with unacceptable behaviour. All staff has responsibility for using and applying de-escalation techniques and following the sanctions as laid out below to ensure consistency throughout the school for all children – staff will seek advice/support from the senior leadership team (SLT) when required.

The safety of the children and adults is paramount in all situations. If a child’s behaviour endangers the safety of others then the Headteacher reserves the right to bypass any step and consider an exclusion.

Restorative Justice

All teachers are trained in the process of Restorative Justice and this will be employed where deemed appropriate. Children are given the opportunity to ‘put right’ their negative behaviour choice and can earn back their Golden Time minutes. Restorative justice comes in many forms and includes the child

apologising for behaviours towards others, changing a negative choice to a positive choice and learning about why they behaved that way and how they may manage this better next time.

'PUPILS BEYOND' – all pupils with additional needs

The majority of pupils at St Mary's respond positively when staff work within these guidelines.

A small percentage of our pupils may need additional support to improve their behaviour. We do this by working in line with this Policy and putting in more scaffolding, tailored to the specific needs of each pupil. This might include:

- changing the class group/input from the teaching assistant (TA)/varying the classroom management
- making the routines more detailed
- drawing up an Individual Behaviour Plan, detailing action to be taken when identified behaviour occurs. This is shared with the pupil, parent and other staff (for consistency).

The Role of Staff

All members of staff implement this policy, live the values and ensure that the children follow the school expectations.

Staff provides good role models for children and have high expectations for behaviour.

Staff is responsible for the management of children's behaviour all the time that they are at school or taking part in school events.

Staff proactively prevents behaviour issues by being in class when children return from break and lunchtime and by ensuring that children walk through the school in an orderly fashion. It is particularly important that children arrive at the hall for assembly quietly and ready for reflection.

The Role of the Headteacher/Deputy Headteacher/ Pastoral Lead

It is the responsibility of the Headteacher/Deputy Headteacher/ Pastoral Lead to implement this policy consistently and to report to governors on its effectiveness.

The Headteacher/Deputy Headteacher/ Pastoral Lead keeps records of all reported serious incidents of unacceptable behaviour and has the responsibility for fixed-term exclusions.

The Role of Parents

The school works collaboratively with parents, so children receive consistent messages about behaviour. We explain the GOLDEN RULES, rewards and sanctions in the Home School Agreement and expect parents to support them.

Our Home-School Partnership is vital to support children's learning and behaviour. Parents are asked each year to make a commitment to the expectations of behaviour.

The Role of Governors

The Governing Body has the responsibility of monitoring standards of discipline and behaviour in the school.

The Headteacher has the authority to implement the behaviour policy, but governors may advise about particular disciplinary issues.

Monitoring and Evaluation

The Headteacher aided by the Deputy Headteacher reports on behaviour to the governing body.

The Deputy Headteacher keeps records of GOLDEN TIME losses to monitor behaviour – this contributes to the School improvement plan.

Review - This policy will be reviewed annually.

Appendix 1 – Further Information about bullying

Bullying can be:

- Emotional being unfriendly, excluding, tormenting (e.g. hiding books, threatening gestures)
- Physical pushing, kicking, hitting, punching or any use of violence
- Racist racial taunts, graffiti, gestures
- Sexual unwanted physical contact or sexually abusive comments
- Homophobic because of, or focussing on, the issue of sexuality
- Verbal name-calling, sarcasm, spreading rumours, teasing
- Online all areas of internet, such as email and internet chat room misuse, social media, mobile threats by text messaging and calls
misuse of associated technology i.e. camera and video facilities.

Why is it Important to Respond to Bullying?

Bullying hurts. No one deserves to be a victim of bullying. Everyone has the right to be treated with respect. Pupils who are bullying need to learn different ways of behaving.

We are aware of the impact that bullying can have upon children's lives and on those who care for them. Everyone at our school has a responsibility to respond promptly and effectively to issues of bullying.

Signs and Symptoms

A child may indicate by signs or behaviour that he/she is being bullied. Adults should be aware of these possible signs and they should investigate if a child:

- becomes unwilling to come to school
- begins to regularly feel unwell without any apparent symptoms
- becomes reluctant to take part in certain activities
- becomes withdrawn or anxious or lacking in confidence
- becomes disfluent e.g. starts stammering
- attempts to self-harm
- attempts or threatens suicide or runs away
- cries themselves to sleep at night or has nightmares
- feels ill in the morning
- begins to do poorly in school work
- has possessions which are damaged or " go missing"
- asks for money or starts taking money (to give to the bully)
- has unexplained cuts or bruises
- becomes aggressive, disruptive or unreasonable

- is bullying other children or siblings
- stops eating
- is frightened to say what's wrong
- gives improbable excuses for any of the above
- is afraid to use the internet or mobile phone
- is nervous & jumpy when an online message is received.

These signs and behaviours could indicate other problems, but bullying should be considered a possibility and should be investigated.

We will use a variety of methods, curriculum materials and resources to help children prevent bullying. These include:

- Use of anti-bullying materials and participation in November's Anti-Bullying Awareness Week (a nationwide effort to stop bullying and its harmful effects).
- Use of Class Liturgy which gives children opportunities to talk, share concerns and participate in decision-making. Class Liturgy creates a positive ethos by encouraging respect for all participants, provides a space for listening and being listened to in a secure and supportive atmosphere and encourages a feeling of community and responsibility.
- Friendship buddies at lunchtime.
- Pastoral Lead to work with children individually or in groups and to support them through nurture sessions, breaktimes and lunchtimes.

If a bullying incident happens

- It should be reported to the Pastoral Team who have responsibility for behaviour
- It is then recorded on a pink form and kept in the behaviour monitoring file.
- The most appropriate member of staff e.g. Deputy Head, Class teacher, teaching assistant (depending on who it is judged to have the best relationship with pupils involved) work with both the victim and the bully to emphasise appropriate behaviour and bring about restorative justice.
- If necessary the victim is recorded as a vulnerable pupil and supported under the safeguarding process/policy.
- The bully will be subject to behaviour management sanctions.

5. Loss of 25 mins Golden Time – child and class teacher to report to a member of the Pastoral team.

Any form of physical violence, children to lose whole breaktime with class teacher. LSAs to take children to class teacher or member of SLT. Further incidents of physical violence to be referred to the Headteacher.

Appendix 3 – Serious Behaviour Incident Protocols and Procedures

A serious behaviour incident is defined as an occasion where a pupil has to be restrained for his/her own safety or the safety of others in the school.

The Headteacher and Pastoral Lead have been trained in team teach techniques to enable both pupils and staff to be protected if such an incident occurs.

After such an incident the member of staff involved should do the following having informed the Head/Deputy Head or Senior Teacher:

- Ensure the child involved is safe

- Ensure that the parent of the child involved is informed about the incident
- Inform the deputy head if she is not already aware
- Debrief the incident with deputy head or other member of the senior leadership team
- Complete Blue behaviour form

The head teacher/deputy head teacher should:

- Ensure member of staff is safe
- Ensure the Blue behaviour form is completed
- Ensure that all serious incidents are reported to Governors

Governors should:

- Keep statistical records of all serious incidents
- Review practice and procedures for serious incidents as part of the review of the behaviour policy
