

Class 7 News!

We have settled back to school life with ease and have been very busy over the past couple of weeks.

We have spent time shopping for fish, who we have named; Nancy, Bob, Johnny Cash and Water baby. We have set up a feeding rota and check on them daily. We also have some snails in the tank to ensure they behave themselves.

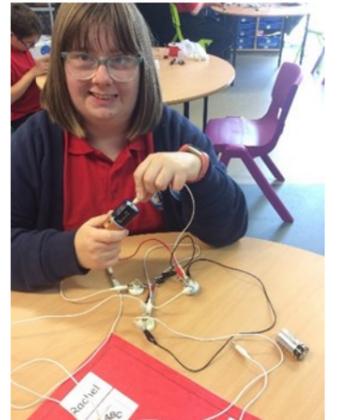

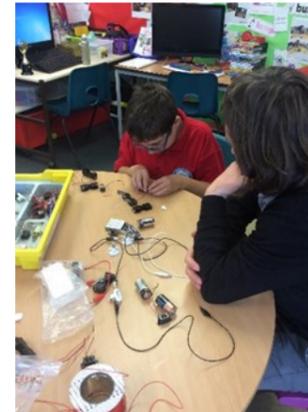

On our visit to Pets at Home, we adopted a Lion head rabbit called Coco, she will live with Caroline but will come to school daily, so that we can learn about how to take care of animals.

In class we had a class bake off to create baked goods for the Mac Millan coffee morning. We invited Pru (Sylvia) and Paul (Andrew) to judge our products. It was great fun and team B won!

In science we have been learning about electricity, how to be safe around it and how it works. We have made circuits and will be testing our knowledge on the BBC bitesize skills site.

To promote health and wellbeing, we now complete a 1k a day, we do this to help keep us fit and healthy plus we spend time outside competing against our friends. We also have healthy playtime bags to use, so that we can spend time with friends and keep fit and healthy.

LEARN YOUR WAY

TAKE A LOOK DAYS

Suitable for school and college transition days

Go on a treasure hunt to see what you can find at our:

- ✓ Farm
- ✓ Café
- ✓ Creative media
- ✓ Hair & beauty

Dates:
 Thursday 22nd Nov
 Thursday 28th Feb
 Thursday 9th May
 Thursday 13th June
 Thursday 11th July

Followed by a 'meet the tutor' and Q&A session

Dear parents and carers,

I can't quite believe that we are almost at half term! We have had such a busy and exciting half term and I wanted to take this opportunity to share some of the highlights:

The garden party in September was a great success. We were blessed with a beautiful sunny afternoon for this event; perfect for showcasing the newly painted outside area. The candy striped fence, azure blue sensory garden and lime green benches are a real asset to our outdoor area. A huge thank you to the PTA for all their hard work painting this area over the summer holidays. In order to maximise this outside space, we have also increased the variety of activities and resources available to the pupils during break times to enhance the outdoor learning.

I would also like to celebrate the improvements to the front of the school: primarily the beautiful flowers painted by one of our TA's, Anita Shaw. Before the end of the summer term, the children were all asked to design their own flower. The individual flowers were then lovingly replicated on the wall. It was so important for us to involve all our pupils in the school improvements.

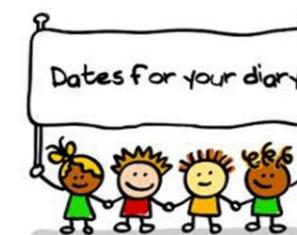

Thank you for supporting the Macmillan coffee morning earlier this month, there was a lovely atmosphere and together we raised a significant amount of money towards the charity.

Other events to celebrate have been the school choir, Pupil Parliament and the sixth form Enterprise Scheme.

We are continuing to look for members to join the PTA team- please contact Sarah Hooper if you like any further information.

Thank you all for your continued support and we are looking forward to the next half term.

Ruth Carpenter
