"She is friendly, likes a laugh and is a special person. She paints her nails different colours and helps us out when we are doing STEM lessons. She likes to make jokes about Andrew!"

We are Emily and Holly. We are students in 6th Form. We have been doing independent travel training for our ASDAN module. The module was called 'Being Safe'.

We are doing this to boost our confidence so we can do this independently in the future and travel by ourselves. We practised with Aran and Sue and used the local Tesco bus as a way to travel. Here are some photos of us travelling.

Dear Parents/Carers,

Thank you for your donations and support with raising sponsorship for World Book Day, we raised a total of £277.00 which was then topped up with a further £83.00 from Usborne books. This has enabled the school to get new books for all the pupils to share. For primary Rebecca chose some phonics books and reading books. While secondary and 6th form chose some young adult fiction books to read. Each class also received a copy of the 'Looking after your mental Health' book, which we believe to be beneficial for all our children here at Nancealverne.

I have also enclosed a Usborne summer leaflet for you to browse at your leisure. If you would like to purchase any books for yourself and your children, just use the order form on the back of the leaflet to write down the books you would like and send it back into school with your child, with the money or a cheque made payable to Melanie Mason. On the back of the leaflet are my personal Usborne contact details that you can contact me on should you wish to ask any questions about the books.
