

Class 6

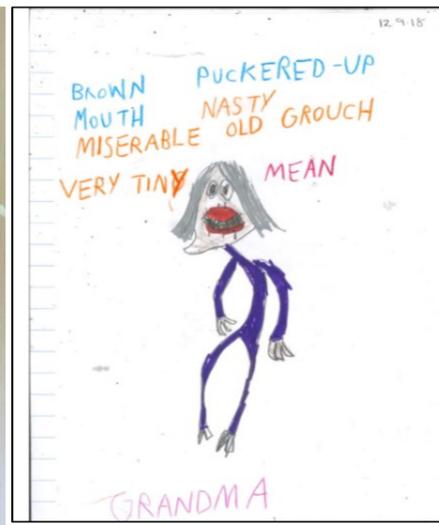

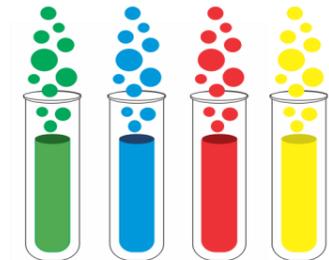

In Class 6 we have 9 pupils, some of whom spend some time with us and some in Class 5. We are a very lively bunch who thrive on multi-sensory approaches to our learning.

This half term in Class 6, our theme is all things Roald Dahl. We have chosen our favourite books and films and started our featured text, 'George's Marvellous Medicine'. Last Thursday we celebrated Roald Dahl Day with lots of special activities. We made hats inspired by our favourite Roald Dahl characters and wore them proudly throughout the day (even when serving in tuck shop).

In the book, George's grandma tells him to eat boiled cabbage 3 times a day, preferably with bugs in for extra flavour and crunch! We had a party at the end of the day and all tried some boiled cabbage (without bugs) as well as party food. Would you believe it - some pupils came back for more and more cabbage and some were not so sure!

For science we are focusing on chemical reactions and have already started making a few potions!

What do you think the school's favourite Roald Dahl Story is? We asked pupils in tuck shop last week, and they chose 'Charlie and the Chocolate Factory', followed closely by 'Matilda'.

So, parents and carers, what's your favourite? Please let us know by tearing off the slip below and sending it back to Class 6. Many thanks, Class 6.

My favourite Roald Dahl Story is.....

My non verbal life.

*I cry, I scream, I sleep and I dream,
I laugh, I clap, I point and I tap,
I smile, I frown and I jump up and down.
I'm sometimes quiet, sometimes loud.
I walk, I skip, I sometimes trip,
I giggle, I shriek and play hide and seek.
I moan in pain, no day is the same,
I'm up, I'm down, mum says I'm a clown.
I play with games and picture frames.
Hoover accessories and Thomas tank trains.
I love all laces, ribbons and strings,
I like to play with any dangly things.
I go to school, I try to abide by the rules,
I laugh, I play, I learn along the way.
I'm sometimes hyper, sometimes I tire,
But overall I'm a livewire!
I'm a big strong lad I can get very mad!
I hit, pinch and scream, and mum gets very sad.
One kiss from my mum make some smile and be happy,
It's good she is calm and not so snappy!
Non verbal means "no speech",
My voice box don't quite work.
That don't mean I cant "talk",
I make myself heard!
It doesn't affect my life,
I'm as happy as can be.
I love my life and family,
I am the one and only ME!*
