### Learning log:

For the next few weeks our topic will be -

### What lives under the sea?

How many of the following can you do:

Go to the local rock pools with your family? What creatures can you find? Take a picture and research the creatures when you get home!	Find out about three animals which live on the beach or under the sea in Amble. Then find out about three animals which live on the coast or under the sea in a different country	Find out about people who keep us safe at the beach such as life guards, coast guards and the life boats!
Design a boat - can you built it and check it	Explore which items in your house float and	Tell me about your favourite under the sea

*Keep flying at home!*

<p>floats?</p>	<p>sink. Can you list them - cant you make a floating item sink and a sinking item float??</p>	<p>story!!</p>
<p>Use the internet to help you find out about deep sea creature - which is the most bizarre one you can find? Can you draw a picture of it and tell me about it?</p>	<p>Walk to the beach and look closely at what you can see and hear. When you get home list the things you hear and draw a picture or paint what you see!</p>	<p>Visit the beach and create a piece of sand or beach art using natural objects such as shells, stones and seaweed!! Don't forget to take a picture!</p>

I will use tapestry to stay in touch with parents - please upload any work not placed in your home diary. I can also be contacted via email - [sharon.donaldson@amblefirst.northumberland.sch.uk](mailto:sharon.donaldson@amblefirst.northumberland.sch.uk)
