Reception - home learning sheet 2

Reading

Please read every day for at least 10 minutes (school books, books from home or using online texts through the oxford owl).

Practise your RWI sound cards every day or take part in the Ruth Miskin phonics session on you tube

https://www.youtube.com/channel/UCo7fbLgY2oA_cFCIq9GdxtQ

Play a game on phonics play every day (www.phonicsplay.co.uk)

Your username is:Amble1st Your password is:Puffin111

Read a story with a grown up once a day,

Writing

Take part in the daily dough disco challenge on you tube.

Choose one letter or sound and practise writing it every day.

Use letter join to help you - Username:amble_5 Password:letterjoin

Can you write a sentence in your home diary every day to tell me what you have been doing?

Maths

Count to 20 everyday - forwards and backwards and starting from different numbers! (there are lots of youtube videos to help you with this!)
Choose 1 numeral each day to twenty and practise writing it, collect groups of objects to match that number.

Take part in the White Rose maths hub weekly activities for early years

<https://whiterosemaths.com/homelearning/early-years/>

I will use tapestry to stay in touch with parents - please upload any work not placed in your home diary. I can also be contacted via email -

sharon.donaldson@amblefirst.northumberland.sch.uk

Learning log:

For the next few weeks our topic will be -
Where does our food come from?

How many of the following can you do:

<p>Can you create your own small vegetable patch - some plants such as tomatoes don't need seed packets - just plant half a tomato and see what happens! Take time each day to water and check them. Keep a diary (photos or writing) of your plants.</p>	<p>Can you make a list of farm animals and their babies - do you know the correct names for all the young animals?</p>	<p>Find out about the different farm machinery you might find on a farm. Can you use junk / recycling in your house to create your own farm vehicle?</p>
<p>Make a list of 5 animals you might find on a farm - can you find out all the products or food we might get from those animals?</p>	<p>Use duplo / lego to create your very own farm!! What animals would you have? Take a picture or video and add it to tapestry!</p>	<p>Tell me about your favourite farm story book - can you create your own front cover for this book?</p>
<p>Read 'The little red hen' (there are lots of versions available on you tube) can you write a different ending for the story? Perhaps you could act it out and video it? You could make a story board of your idea first and</p>	<p>Wheat is grown on lots of farms - have a look through your cupboards and see how many food contain wheat. Can you make a list of them? Sort them into those you like and those you don't? Perhaps you could bake your own</p>	<p>Find out about farms local to us using the internet. Can you draw a map to show where they are? Can you find out what they grow or which animals they have?</p>
