

Sports Premium Impact Statement 2016-17

Key objective	Impact of Spending
<p>To empower all teaching staff with an increased subject knowledge, competence and confidence in the delivery of PE.</p>	<p>PE Staff from Falmouth School worked with most staff and helped to develop their confidence and competence in the teaching of PE. The staff survey indicated that individual staff members would like further support in certain areas.</p>
<p>To implement the assessment of Real PE that is fully aligned to the new National Curriculum and Ofsted requirements, focusing on the development of agility, balance and co-ordination, healthy competition and co-operative learning.</p>	<p>All staff have taught the Real PE curriculum in their classes. The PE subject leader has been trained in assessment and will continue to cascade this information to all staff. Go Active will be teaching some aspects of Real PE in all classes during 2017-18.</p>
<p>To ensure that pupils who are talented in sport are provided with expert, intensive coaching and support to enable them to further develop their skills and challenge them to achieve more highly.</p>	<p>Opportunities for children recognised as being talented in PE have been provided. G and T children are signposted to appropriate pathways and clubs. Through trials identified children are nominated for activities. Increased number of pupils participating in an increased range of competitive opportunities. 2015-16 80% 2016-17 80%</p>
<p>To train new sports leaders to support extra-curricular and lunchtime activities To ensure that the current sports' leaders are empowered to lead small group activities with greater independence.</p>	<p>Where the opportunity presented itself the sports leaders were able to support in extra-curricular activities. This will be further developed with the support of 'Go Active' during the academic year 2017-18.</p>
<p>To encourage a healthy lifestyle by providing after school sporting clubs, both competitive and non-competitive.</p>	<p>A wide range of sports are offered to all pupils though the curriculum, teams and clubs.</p>

	<p>A range of after school physical clubs from traditional sport to alternative offered across key stages.</p> <p>Active outside of school KS1 83% Ks2 88%</p> <p>Active in school clubs KS1 79% KS2 71% School Teams 80%</p>
<p>To ensure the participation in school swimming to enable all children to be able to swim at least 25m by the end of year 6</p>	<p>All children from Y3-6 took part in swimming lessons with trained swimming instructors.</p>
<p>To increase all pupils' participation whatever their ability through additional coaching and outdoor activities</p>	<p>All children in Y5 and Y6 participated in outdoor activities through Cornwall outdoors. As required the costs of the residential activities were subsidised.</p>
