I would just like to inform you that during the lunch break at school today, some of the children and staff saw a man outside the school perimeter who appeared to be using his phone to photograph/video inside the school yard. This was identified and addressed by staff.

I informed the police who are continuing to investigate the incident.

We will keep you up to date with any feedback from the police and wish to reassure you that the children's safety is paramount.

Yours sincerely,

Linda Hall
