

## Christ the King visit by the RSC Educational Specialist

3<sup>rd</sup> May 2017

### Process:

ES: Julian Baldwin

Length of visit approx. 6 hours.

Activities undertaken: Learning walk, work scrutiny, discussion with HT, discussion with Chair of Governors, discussion with ESG members and discussion with middle leaders.

The ES will produce a note of visit that will be redacted into a letter and sent to the school/trust.

### Feedback

#### Positives:

- The school has taken full advantage of the support and challenge provided by Springhill and latterly the ESG
- The examples of the teaching and learning coaching is very impressive and sustained
- The leadership coaching has evolved so that the school's leaders build capacity and sustainability in their own leadership teams
- There is now clarity, consistency and rigor in and raised expectations
- Marking and assessment are very good – YR2 child explained the marking process perfectly
- The behaviour during the day excellent and the work that had gone into this was evident
- Middle Leadership now becoming embedded and all on the same page
- The brokered support from CAST has been crucial in supporting the school
- Headteacher working strategically
  - Approaches to recruitment and developing in house teacher training
  - All staff contributing
  - All data has to be shared and owned

#### Points for improvement:

- None – Keeping doing what we are doing
